## V.O.I.C.E.S.

# Voices of Impacted Communities Ending the School-to-Prison-Pipeline

## Is this project a good fit for you?

### Have you or a youth you care for ever:

- Been arrested or had to go to court because of something that happened at school?
- Had to go to court because you/they were not going to school?
- Missed school because of being homeless or in DCF custody?
- Been expelled from school?
- Been suspended from school for a long time?

### If you answered yes to at least one of the questions above, then please answer the two questions below:

- Are you willing to share your experience with other youth and families primarily from low-income communities of color who have similar experiences, and work together to create change?
- Are you able to commit to a monthly in-person meeting in Boston (transportation help will be provided)?

### If you also answered yes to the two questions above then this project is a good fit for you!
